

Prescription that Soon Knocks Rheumatism

The only logical treatment for rheumatism is through the blood. The patients that suffer in muscles, joints and back, causing severe pain, must be treated and expelled from the system or there can be no relief. This prescription from a noted doctor is said to be working wonders all over the country. Hundreds of the worst cases were cured by it. Here is the recipe: "From your drugist get one ounce of Toris compound (the original sealed package) and one ounce of syrup of Serravallo's compound. Take two tea spoonsful of good whiskey. Shake the bottle and take a tablespoonful before each meal and at bedtime." Towards noon the first day, if your druggist does not have Toris compound in stock he will get it in a few hours from his wholesale house. Don't be influenced to take some patent medicine issued at 10c. Take as having the genuine Toris compound in the original package, sealed, yellow package. Prepared by the Globe Pharmacetical Laboratories of Chicago.—ADT.

ASSASSIN SHOOT MINING MAGNATE SIR LIONEL PHILLIPS

South African Millionaire Victim of Vengeful Man—Mixed Up in Labor Troubles.

JOHANNESBURG, UNION OF SOUTH AFRICA, Dec. 11.—An attempt was made today to assassinate Sir Lionel Phillips, the leading gold mining magnate of South Africa. Three shots were fired at him. One bullet lodged in his neck and another in one of his thighs. His condition is declared not to be grave. The would-be assassin was arrested. The attempt was made while he was

walking on Commissioner street. It was at first supposed to have been an outcome of the bitter feud aroused against the mine owners, owing to the dissatisfaction of the miners in connection with the conditions of settlement of the strike movement in September. At that time a series of riots occurred in which about one hundred miners were killed and many wounded when they came into armed conflict with the troops and police.

The assailant of Sir Lionel Phillips was later identified as a Dutch storekeeper of the name of Huisen, and the crime was supposed to have been actuated by revenge for the loss of a recent suit against the mining group with which Sir Lionel is connected.

Sir Lionel Phillips was closely identified with the late Cecil Rhodes and Alfred Beit, and he is a partner in the firm of Wertheim, Beit & Co. He has lived in Johannesburg since 1880.

In 1896 Sir Lionel was sentenced to death at Pretoria for participation in the Jameson raid together with John Hays Hammond, George P. Farrar and Col. Frank Rhodes. The sentence was later commuted to a fine of \$125,000 and banishment.

Heavy Snow Hatters Rochester. ROCHESTER, N. Y., Dec. 11.—The first heavy snow-fall occurred during the night and it found the city dependent on individual efforts to remove the snow as city contracts have not been awarded. Complaints came from all parts of the city.

Choose Your Own Test. Lambert Jewelry Stands It.

LAMBERT Diamond and Solid Gold Jewelry, Watches and Sterling Silverware stand the tests of art and taste, of wear, of price comparison. Customers who know this from the experience of other Christmas seasons are coming back in such numbers that the daily assemblies of gift-buyers in our modest but busy store seem almost like family parties.

YOU hear it everywhere; it starts at you from newspapers: "Buy Christmas Gifts Early." Good advice. We offered it away back in the sunny autumn to such purpose that our "Lay Away" vaults are filling fast with gifts suitably

engraved, boxed and ready for delivery. Owners will call at their convenience and pay and take purchases with them.

Notwithstanding early buying there is room in the vaults for your Christmas gifts. You need pay nothing until delivery, except that we ask a small deposit on engraving orders.

WE omit nothing that 37 years' experience can suggest to make the selection of Gift Jewelry, Rings and Watches an economy for buyers and an equal pleasure for those who give and those who receive.

This Will Not Be News

To readers of this newspaper who have bought Diamond Engagement Rings or other Diamond Jewelry at Lamberts. They know how the customers' money is saved by the Lambert plan of spot cash buying of Fine Diamonds in large quantities; of purchases in advance of increased duty and other price boosters; of mounting in our own factory, over our unpretentious store in plain, low-rental Third Avenue.

But there are thousands of others who do not know from experience what a pleasure-giving, money saving business Diamond buying is at Lamberts. We cordially invite them, and the sooner they buy their Christmas Diamonds the greater comfort they will have in buying.

To See Is to Admire

Simply to show our solid gold bracelets is to make admirers for them. As well made as they can be, as durable and as beautiful, they are, nevertheless, sold at prices so low that they would raise doubts of quality in some places. But Lambert bracelets are guaranteed.

One we sent to the Assay Office to be tested was found to be decidedly better than we had represented it.
